

OpenRTM-aist - #532

GearBox RTC

04/14/2009 09:46 AM - n-ando

Status:		Start date:	04/14/2009
Priority:		Due date:	04/24/2009
Assignee:	gbiggs	% Done:	90%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Making saample RT-Components that implement libraries and functions provided by GearBox. For easy-compilation, samples should use appropriate build system such as autotools or cmake. If the GearBox lib supports both Windows and Linux, the RTC should do this. Each RTC should have enough documentation to use.			

History

#1 - 04/14/2009 03:02 PM - gbiggs

- Due date set to 04/17/2009
- Status changed from to
- Estimated time set to 16.00 h

#2 - 04/14/2009 03:02 PM - gbiggs

- Estimated time deleted (16.00 h)

#3 - 04/20/2009 10:21 AM - gbiggs

- % Done changed from 0 to 20

#4 - 04/20/2009 03:12 PM - gbiggs

- Due date changed from 04/17/2009 to 04/24/2009

#5 - 04/27/2009 12:38 PM - gbiggs

- % Done changed from 20 to 90

#6 - 04/03/2012 11:47 AM - gbiggs

- Status changed from to
